This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the Application of Harborside Intermodal Services, Inc. d/b/a Harborside Intermodal Transportation (the Applicant), whereby the Applicant seeks certain relief in the nature of the approval of an amendment to its Certificates of Public Convenience and Necessity to reflect a modification to the name appearing on such Certificates. Specifically, the Applicant requests the approval of the following modification:

FROM: Harborside Intermodal Services, Inc. d/b/a  
Harborside Intermodal Transportation  
TO: Harborside Intermodal Transportation, Inc.

The Applicant asserts that the relief requested incorporates merely a change in the name of the holder of the Certificates. The Application further indicates that the change of name does not

involve a change in ownership, officers, or operation of the business.

Based upon a thorough review of the matters asserted in the instant Application, the Commission is of the opinion that the relief sought by the Applicant should be approved.

IT IS THEREFORE ORDERED:

1. That the relief sought in the Application for modification of Class E-ICC Certificate of Public Convenience and Necessity No. 8152 and Class E Certificate of Public Convenience and Necessity No. 8337 by changing the name thereon be, and hereby is, approved.

2. That said approval is for a change in name only and does not authorize any change in the control or operation of the Applicant's regulated services.

3. That the Applicant file the proper license fees and other information required by S.C. Code Ann., Section 58-23-10 et seq. (1976), as amended, and by R.103-100 through R.103-280 of the Commission's Rules and Regulations for Motor Carriers, S.C. Code Ann., Vol. 26 (1976), as amended, within sixty (60) days of the date of this Order, or within such additional time as may be authorized by the Commission.

4. That upon compliance with applicable provisions of law, a modified certificate shall be issued to the Applicant as provided herein.

5. That prior to compliance with such statutory and regulatory requirements and the receipt of such modified Certificates, the motor carrier services authorized by such Certificates may not be provided.

6. That this Order shall remain in full force and effect until further Order of the Commission.
